MEET ASCEND.®

The exterior of your home is seen by everyone who walks by, drives along or knocks on your door. Give them a stunning look that turns heads.

From the road, from the sidewalk and from your front porch, the ASCEND® Composite Cladding System from Alside doesn't just make a beautiful impression. It leaves a memorable one. With a grained look of real wood and beauty that holds true even after prolonged exposure to the elements, ASCEND takes composite cladding to new heights. It's the perfect unification of aesthetics, performance and value.

Find a style that aligns to yours with a siding system that will look "just installed" for as long as you own your home.

Take your home to a **higher level.**

BETTER, NO MATTER HOW YOU LOOK AT IT.

ASCEND is a first-of-its-kind cladding system that combines beauty, performance, durability and easy maintenance all in one.

Visually, it's a virtual match to wood that lasts longer, is easier to maintain and costs a lot less to own. The color stays vibrant year after year to save you thousands in repaint costs. It has been designed and engineered to keep the weather out and the beauty in.

REACHING NEW HEIGHTS.

UNRIVALED PEACE OF MIND.

With ASCEND, not only will your home's exterior have the high-end look of real wood, it will deliver exceptional thermal and impact performance with fire- and moisture-resistance. Available in 20 on-trend colors, ASCEND provides long-lasting elegance with carefree maintenance.

TEXTURE

The difference is . . . that it's hard to tell the difference. Details matter, even if they'll only be seen up close. A realistic woodgrain appearance drives a stunning and striking look.

PROFILE

Featuring a tall 7" profile that provides a high-end appearance to help deliver a higher value to your home.

COLOR

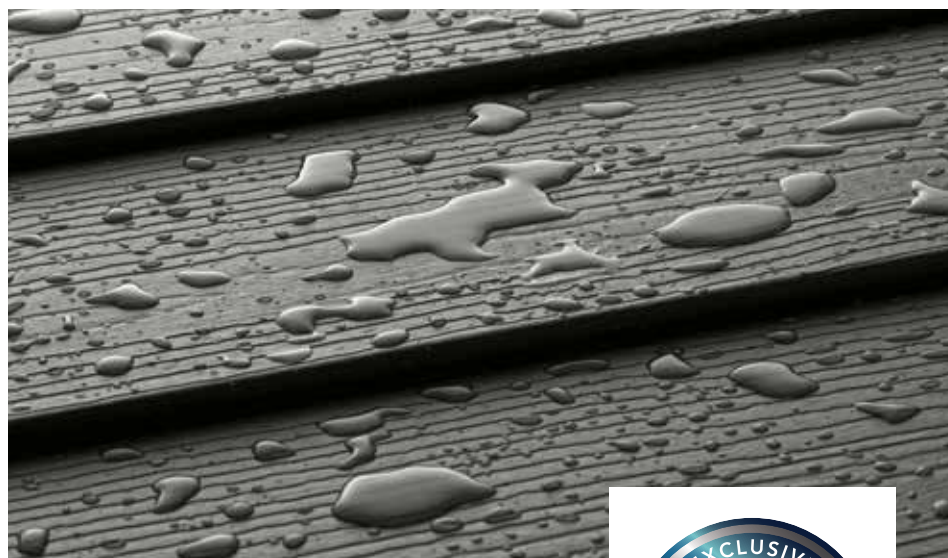

An extensive line of colors – chosen with an eye toward designer-inspired trends – lets you customize to your style while leaving a lasting impression.

LIFETIME LIMITED WARRANTY**

ASCEND is backed by a non-prorated warranty, providing superior peace of mind relative to alternatives that offer declining coverage value as time goes on.

ENGINEERED TO OUTPERFORM AT EVERY LEVEL.

RESISTS THE ELEMENTS. LOOKS GREAT DOING IT.

Wind. Rain. Hail. Heat. The occasional baseball. You never know when your house will be hit by the elements, both natural and man-made.
